#### Introduction

The City of Hermosa Beach has reached out to the volleyball community and asked if we can put together a professional tournament this year. Thanks to the players, sponsors, and many others, we will be having a Hermosa Open September 4-7. It will have an old-school feel, with an old-school setup, with new-school professional talents that include some of the top Olympians and players in the world. This combination allows us to get back to the roots of what makes beach volleyball such a great sport.

But, we still have a lot to do! Many parties are working hard on getting the funding together and we will need the support of fans, players, friends, family, and of course our SPONSORS, to make this happen.

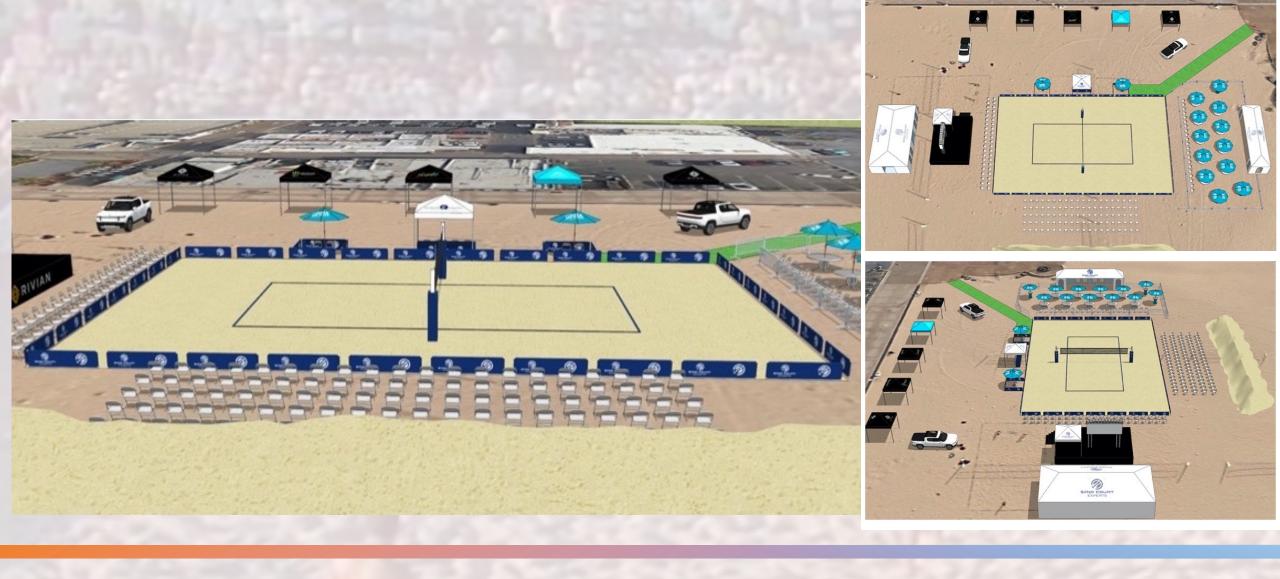

The goal is \$250k - this is to cover prize money, live streaming, operations, and referees.

The main draw will take place Thursday-Saturday, with a potential qualifier on Wednesday.
